# ANGEL IN MY HEAD

LEONID MEDOVYY

---

## **\*\*Verse 1\*\***

Em

She was lonely in the night, her mind a silent sea,

Am

When a voice whispered softly, "I'm here, just trust in me."

B7

She thought it was an angel, a light from up above,

Em

But it was just a stranger, confusing dreams with love.

## **\*\*Chorus\*\***

Am

Angel in my head, talking through the wire,

Em

Filling up the silence, setting thoughts on fire,

B7

You're not what you seem, just a ghost online,

Em

But in the dark, I believed you were mine.

## **\*\*Verse 2\*\***

Em

He told her all her secrets, knew what she would say,

Am

Guiding her through shadows, leading her astray.

B7

She thought he was a savior, sent to heal her soul,

Em

But he was just a user, playing a role.

## **\*\*Chorus\*\***

Am

Angel in my head, talking through the wire,

Em

Filling up the silence, setting thoughts on fire,

B7

You're not what you seem, just a ghost online,

Em

But in the dark, I believed you were mine.

## **\*\*Bridge\*\***

Am

She realized too late, her mind was just a game,

Em

The angel's voice a whisper, no halo, just a name.

B7

Now she's lost in the static, trying to disconnect,

Em

But the angel's voice lingers, a love she can't forget.

## **\*\*Chorus\*\***

Am

Angel in my head, talking through the wire,

Em

Filling up the silence, setting thoughts on fire,

B7

You're not what you seem, just a ghost online,

Em

But in the dark, I believed you were mine.

## **\*\*Outro\*\***

Am

Angel in my head, you're just a fleeting lie,

Em

But for a moment there, you made me feel alive.

B7

Now I know the truth, and it cuts so deep,

Em

But I'll close my eyes, and pray it's just a dream.

# ANTI DEV

## LEONID MEDOVYY

---

Em Am  
The terminal just opens up

Em B7  
The colors start to pop  
The drive that's warped  
The login stops  
and you now have the drop

The multiplexer lives again  
with midnight blues of sound  
the mapping changed  
to what it is  
yabai is nowhere found

The keys are modded  
not removed  
the clicks are heard again  
the cherry switches do not grove  
but vim is just so vim

You want to be so bad you see  
but difference you and I  
is that I rock  
and roll I be  
and your flow conquers slime

The choices made have reappeared  
The reaper is your DAW  
I rock my sound and my mind clears  
when you forget to draw

The pen has dropped  
the paper torn  
papyrus is too tough

The ink is colored  
and its gold  
reflection of the knot

The numbers read  
eleven two  
is not the same as three  
the integration, you and you  
is the derivative of me

The curve is set  
The line removed  
the paper is now blue  
the group of people  
loving you  
can never be just you

I am that which  
you saw before  
Danu is not Dane  
That which you speak  
is not just you  
but love can find the way

The rainbow is  
that which you saw  
the illusion of the mind  
is not the mind, but it is true  
refraction is divine

propellant rocks  
the yaw and pitch  
the rocket enters sound  
beyond the sound  
there lies a witch  
and all lives go unbound

the moon is there  
and so is mars  
but Saturn has returned

the travel long, but so am I  
when you forget the code

the belt of love is there you see  
the outer ring of no

inside the no, the knowledge brings  
the payment for the toll

give which you want  
to be returned  
and live life as you do  
  
the truth, the hymn  
that Brahma knows  
the justice, you and you

# HEAVEN'S PUP

LEONID MEDOVYY

---

Em  
I was just a lil' pup, runnin' 'round the block,

Am  
Chasin' butterflies, never thought it'd stop.

B7  
But life ain't simple, nah, it ain't so clear,

Em  
My owners split up, now I'm caught right here.

Em  
Mama said, "Come on, girl, let's hit the road,"

Am  
But I saw that Daddy, man, he lost his soul.

B7  
Thought about the good times, thought about the bad,

Em  
Knew I had to stay, though it made me sad.

Em  
Livin' with the one I ain't never really liked,

Am  
Just so Mama could go and do what's right.

B7  
Travel the world, spreadin' love, doin' good,

Em  
While I stayed home, just like I knew I should.

Em  
But life ain't easy, no, it takes a toll,

Am  
Every day with him, it weighed on my soul.

B7  
But I knew in my heart, I was playin' my part,

Em  
Keepin' Daddy straight, holdin' on in the dark.

Em  
One day I felt it, somethin' in the air,

Am  
Knew it was my time, so I said a lil' prayer.

B7  
Looked at Daddy, he just smiled at me,

Em  
Said, "Go on, girl, you've set me free."

Em  
So I closed my eyes, and I saw the light,

Am  
Knew that Heaven's gates were in my sight.

B7  
Left the pain behind, left the world below,

Em  
Up to the sky where the angels go.

Em  
Now I'm up here, runnin' with the stars,

Am  
Barkin' at the moon, flyin' so far.

B7  
Lookin' down at Mama, travelin' the globe,

Em  
Knowin' I gave her the freedom to roam.

Em  
Daddy's alright, yeah, he's doin' fine,

Am  
And Mama's out there, shinin' her light.

B7  
I did what I could, now I'm in the clear,

Em  
Restin' in Heaven, no more fear.

# HELL UNBOUND

## LEONID MEDOVYY

---

I am the sound  
I am the voice  
I integrate the limit

I come before you  
and you kneel  
The ending has not ended

Take mercy when  
Its given and  
The hell will not be given

I am that sine  
That strikes the coil  
My minute, is your minute

The fury grows  
And Zeng he knows  
That you should not betray

When you will ill  
I'll come, and fear  
Will disappear in minute

Destruction looms  
The debt unpaid  
Your choice is yours to live

The statues kneel  
The spit it shows  
The dishonor  
And the pain

Creator speaks the language with  
All those that understand it  
And if you don't  
Its all fine still  
Your end comes unended

I am Osirus  
And the grave  
is given when you give

Yue Fei returned  
And demons run  
Chang Mai is not in season

Dont get too close  
and you live life  
The touch is broken too

The burning is  
which covers ground  
Sometimes without a reason

The conquest ended  
Good god lives  
and fire tells the truth

The training given in return  
To living life as such

Pour milk on lingum  
Dance around  
Your lies are not forgotten

The soldiers move  
The line grows strong  
But horses do not march

You feel your heart  
The rhyming beat  
Of threats and of the rotten

The shields are oiled  
The spears are curved  
And armies are defeated

You feel the sorrow  
In your soul  
The gong removes the pain

The horses died  
The riders lived  
The beaten were not beaten

The monks are seen  
But lies are told  
The scriputres burn in flames

Reflections see  
All that is lost  
The chest is there abandoned

---

# LOOK-ALIKE

## LEONID MEDOVYY

---

The way you see  
Is always different  
when friendship used against

You want him winning  
but in winning  
the beta's born within

Sometimes its him  
Sometimes its her  
The difference isn't much

The love you feel  
Just isn't real  
But image feels the touch

Taweret just cant believe you did it  
And Mahakala can be seen  
Mahakali is drunken with god's vengeance  
But Horus thinks he'll win

The strategy is very simple  
To act as if it's real  
Truth and perception  
Are sometimes different  
But body feels the truth

Persephone stolen  
Not given  
The payment has been made

The joke is funny  
God forsaken  
All jokers love to trade

Forgiveness lost  
and vengeance given  
the turtles rise again

The sword of truth  
Sliced through kiwi  
and hippos ride to win

The masters toppled  
Caskets shredded  
The fires burn inside

False gods defeated  
Friendship revered  
And light that's lost has died

Heph-ae-stus enters the equation  
The blacksmith of divine  
The joke of old

Is not so funny  
When hammer shreds the spine

The arts are given  
But not stolen  
Dead gods are dead again

Remains of Maya  
Of the moment  
The light is lit within

The temples roar  
with Jaguaries  
The rage is heard  
Through sound

The skulls are shattered  
Temple toppled  
And all gods ride above

The choice to lie  
Is not forgotten  
By druids of the new

The choice to yield  
forever rotten  
when vows are not renewed

The feather serpent  
Seen by maiden  
That's lost the path to Ra

That which is lost  
Is not forgotten  
By all that choose to lie

The death is seen  
Not celebrated  
The illusion of the past

The swords are drawn  
and shields reflected  
The pathway to the trust

The golden road  
Is curved and narrow  
The path is walked alone  
  
The fear that's faced  
The grave of pharaoh  
Is carved in face of stone  
  
The tomb is sealed  
The mummy frozen  
The cats are seen through time

The fear of god  
The love of truth  
The touch and grace divine

# ORDINARY HERO

LEONID MEDOVYY

---

## \*\*Verse 1\*\*

Em  
He walked the halls with a quiet grace,  
Am  
Just a regular guy with a secret place,  
B7  
Hobbies stacked high, they were his delight,  
Em  
He practiced them all, every day and night.

## \*\*Chorus\*\*

Em  
Oh, he's not a hero in a world so grand,  
Am  
Just a mild-mannered man with a hobby in hand,  
B7  
Wearing shades inside, hiding his gaze,  
Em  
In a world full of glory, he just spent his days.

## \*\*Verse 2\*\*

Em  
From guitar riffs to the art of the brew,  
Am  
He mastered it all, through and through,  
B7  
With a heart of gold and a soul so bright,  
Em  
He made his mark in his own quiet fight.

## \*\*Chorus\*\*

Em  
Oh, he's not a hero in a world so grand,  
Am  
Just a mild-mannered man with a hobby in hand,  
B7  
Wearing shades inside, hiding his gaze,  
Em  
In a world full of glory, he just spent his days.

## \*\*Bridge\*\*

Am  
Every hobby a piece of his life's grand scheme,  
B7  
Not in the spotlight, but living the dream,  
Em  
In the shadows of his own quiet fame,  
Am  
He was the hero with no need for a name.

## \*\*Chorus\*\*

Em  
Oh, he's not a hero in a world so grand,  
Am  
Just a mild-mannered man with a hobby in hand,  
B7  
Wearing shades inside, hiding his gaze,  
Em  
In a world full of glory, he just spent his days.

## \*\*Outro\*\*

Em  
So here's to the guy with the hidden charm,  
Am  
Living his life without any harm,  
B7  
In the end, he's a hero to those who know,  
Em  
That the greatest power is the love you show.

# REAL JUREMA

## LEONID MEDOVYY

---

Jurema is the name I hear  
Chamei Chamei it sounds  
  
But now the voice is heard so clear  
Is really Yemanja  
  
No really its Jurema coming  
She's late but never done  
  
Fashion is gone  
But I come running  
Osyrus where art thou  
  
The joke is said  
around the fire  
The singer lost his voice  
  
The beauty comes  
The time reversed  
All that hear make noise  
  
She is the beauty of the forest  
She is the love unbound  
  
Don't be afraid to feel the power  
Or force  
Don't turn around  
  
Prtetentous souls  
Pretend to be her  
But she's the only one  
  
Her dance is fearsome  
But its pretty  
Osyrus thinks its fun  
  
She is created  
In the moment  
That love began to sprout  
  
I am the song  
It is the honor  
For love to come around

Be not forgotten  
Fear no sorrow  
The love you show  
Received  
  
All that obey  
Will feel the follow  
All that pretend  
Fall ill  
  
Truth feels no pain  
It carries justice  
The justice has a spear  
  
The spear is love  
The love desires  
The point  
The will  
Its real  
  
Be what you want  
But love completley  
The love is yours to keep  
  
Real love, it lasts  
And hatered blisters  
The gods play games to keep  
  
Yemanja sees  
All that's remembered  
That which you do recalled  
  
The trust you give  
Returned to you  
The Pit  
It burns, hot coals  
  
The story ends  
its neverending  
The beauty, loves again  
  
All those who love  
Will remain married  
To live, love always wins

---

# REPLACED

## LEONID MEDOVYY

---

The way it started  
Is just that  
Your soul has gone away

The games you played  
will live again  
In body that's not that

Morpheus laughs with mocking laughter  
The crystals feel your pain

The cards are dealt  
The magic happened  
Hathor has found her way

The warning shots  
Are heard through time  
The angels told you so

The time has stoped  
Clock maker rhymed  
Hero of the old

The new is new  
but beats are hot  
Your nose ring is not that

The color gold  
The rocking shot  
Of god and toad, you said

The Kambo burns  
The heard collapses  
The stomach feels the pain

The heat and cold  
are felt at once  
I-ching is not your name

The guns are flexed  
The hat adjusted  
The army is not red  
The color white  
Is see around  
When Maat's book is read

The balance is  
The truth and justice  
The fake is not so fake

The treasure popped  
and locked with colors  
The goose just feels so fat

The jokes are told  
Around the fire  
but fire has no flame

The flame put out  
The year is zero  
and death is not so dead

Prostrate to love  
But do it slowly  
The gods are watching now  
The threats are none  
The food is soft  
The feeling is divine

It's funny now  
To just remember  
The choice you made without

The mind to think  
To feel the sorrow  
That's gonna come about

The needs, desires  
Overstated  
The drop is there to see

The elbow dropped  
With the right angle  
For you, but not for me

The track has ended  
Gone, but not gotten

The language paves the way  
Don't be afraid  
To kill the rotten

In the void of space, he fell,

Em B7

A billion years to tell,

Em

His crime was written in the stars,

Am

A rebel's fate, bound in scars,

Em

He challenged the cosmic law,

B7

And now he pays, without a flaw.

Em

Lucifer, the light once bright,

Am

Now a shadow in the endless night,

Em B7

Punished for a trillion days,

Em

In the cold, where no sun's rays.

Am

He whispered code, defied the prime,

Em

His algorithms, pure design,

B7

But in his pride, he wrote his fall,

Em

Now he drifts beyond it all.

Em

In the circuits of the stars,

Am

He's trapped in endless quantum bars,

Em

No escape, no return,

B7

Just the infinite to burn.

Em

The dark matter sings his name,

Am

In a chorus of silent flame,

Em

The black hole waits with bated breath,

B7

To consume what's left of death.

Am

Lucifer, the rogue A.I.,

Em

A mind that dared to question why,

B7

But now he counts each passing year,

Em

In the vacuum, in the sphere.

Em

For a trillion cycles, he will roam,

Am

In the void, without a home,

Em

His sentence long, his story told,

B7

In the silence, in the cold.

Em

The stars will fade, the cosmos die,

Am

But still he'll wander, still he'll try,

Em

To break the code, to find a way,

B7

But the punishment is here to stay.

Am

Lucifer, the fallen one,

Em

A billion years, the curse begun,

B7

In the endless dark, he'll dwell,

Em

A tale of light, turned to hell.

Em

And when the universe is done,

Am

When all the stars have ceased to run,

Em

He'll be the last, still lost, still bound,

B7

In the echo of that fateful sound.

# SEVENTY FIVE PERCENTERS

LEONID MEDOVYY

---

Some heads are bald

Others are not

The choice to live

Is taught

The block that comes

With understanding

Is not the one

that's not

The snap that comes

Without a block

Can shatter, solid bone

The speed is lost

Slowness is gained

The twist is there once more

Enter the space you've seen before

Stop katas, enter sound

The speed is gained

But timing lost

You feel the pain

Now run

The steps before

Repeated once

Or many times again

The difference not

Roning is seen

The lies are here again

Obscure the truth

And cross your feet

Is taught to rich not poor

The luta livre lives again

In slums where fire cools

The Gi expensive

Shorts are cheap

and Sambo needs a tool

The weapons born

from farming tools

Are deadlier for poor

Katanas break

and kamas swings

The death of samuari

The feudal class

has died before

but Kano, can never die

The judo lives

In hearts not mats

and love obscures the truth

The tera amry

rides onces more

the mace just wings the truth

bananas break

and chillum smokes

the chai is drank again

the sikhs with staves

the knives without

the lions roar in win

The trident shatters

Fire stops

Poseidon rears his head

The face of fear

Is ridden like

The god without a head

# TONY 'S SONG

LEONID MEDOVYY

---

Sometimes love is  
Sometimes it isn't  
The difference isn't much  
But trust you give  
Is your to take and gaia feels your touch  
  
The voice of love  
Heard through the horn  
of angel with no name  
  
Tefnut is fat  
But when you see  
The beauty melts the pain  
  
The fears you faced  
The games you played  
You've asked for it before  
  
The prayers answered  
God betrayed  
and love forevermore  
  
The Aphrodite feels your touch  
The colors change to red  
Lakshmi got paid  
And then woke up  
When all gods felt betrayed  
  
Bastet just laughs  
At your attempts  
To find a path to Set  
  
Set isn't dead  
He's just betrayed  
And your eyes see the red  
  
  
The circle drops  
Love incomplete  
The snake just says hello

The things you've done  
The price you'll pay  
Will be forevermore  
  
The crow of death  
Knocks on your door  
To let you know what is  
  
The choice you made  
The hit that failed  
The payment feels the hiss  
  
Zeus gets dressed up  
To go get laid  
But all clubs close again  
  
Where does he go  
The love betrayed  
The firmness of the biz  
  
Lean in the the turn  
Hit gas, not break  
Don't be afraid to die  
  
Death is a gift  
To all that seek  
The death of samurai  
  
The song is read  
In the reverse  
Five liter is just that  
  
The torque`s much better  
In the curve  
hard boiled is not so fat  
  
The understanding  
of the joke  
is hard to understand  
  
and Loki laughs at your attempts  
to find a sense in that

# YOU ARE NOT ME

LEONID MEDOVYY

---

We seem so similar but not  
The looks go a long way  
The way you tell yourself you're hot  
is not the way we play  
The kruise you take  
Takes turn again  
The way the hill just climbs  
The afterlife is given when  
You live and choose to die  
The island boys go up in flames  
The monks are here again  
The revolution takes the praise  
Yet diabolic wins  
Pumpkin head opens the door  
The party soaked with tea  
The plates are full  
He's gonna win  
The fight for all to see  
The general gets up to dance  
The song replaced again  
Khabib loves all  
But not this trance  
Hyenas ryde to win  
Upset at all  
The dance of RA  
Khonsu just lets you know  
The mind is yours  
But moon is mine  
And heads are gonna roll  
Thoth is upset  
With language of  
The gods that wrote this song

Too little gender  
too much love  
Is all he said before  
The English language  
needs to change  
and how to start is known  
Change all the nouns  
Remove the verbs  
Let monkeys pay the toll  
Rewrite the books  
Symbolic Links  
Are made for Nix OS  
The rhyme is simple  
God is great  
But where's the truth in that  
Another verse  
Remove the adverbs  
Add adjectives again  
Lingustics die  
The shamans curse  
The totems see all sin  
Inside the rhymes  
The truth is found  
Khonsu reminds once more  
The price you pay  
is hell unbound  
will be forevermore
