Em Am  
The terminal just opens up

Em B7  
The colors start to pop  
The drive that's warped  
The login stops  
and you now have the drop

The multiplexer lives again  
with midnight blues of sound  
the mapping changed  
to what it is  
yabai is nowhere found

The keys are modded  
not removed  
the clicks are heard again  
the cherry switches do not grove  
but vim is just so vim

You want to be so bad you see  
but difference you and I  
is that I rock  
and roll I be  
and your flow conquers slime

The choices made have reappeared  
The reaper is your DAW  
I rock my sound and my mind clears  
when you forget to draw

The pen has dropped  
the paper torn  
papyrus is too tough

The ink is colored  
and its gold  
reflection of the knot

The numbers read  
eleven two  
is not the same as three  
the integration, you and you  
is the derivative of me

The curve is set  
The line removed  
the paper is now blue  
the group of people  
loving you  
can never be just you

I am that which  
you saw before  
Danu is not Dane  
That which you speak  
is not just you  
but love can find the way

The rainbow is  
that which you saw  
the illusion of the mind  
is not the mind, but it is true  
refraction is divine

propellant rocks  
the yaw and pitch  
the rocket enters sound  
beyond the sound  
there lies a witch  
and all lives go unbound

the moon is there  
and so is mars  
but Saturn has returned

the travel long, but so am I  
when you forget the code

the belt of love is there you see  
the outer ring of no

inside the no, the knowledge brings  
the payment for the toll

give which you want  
to be returned  
and live life as you do  
  
the truth, the hymn  
that Brahma knows  
the justice, you and you

behind the window lies a choice to be with love or hate	i am the soul i am the fire i am that which i am i am the car i am desire i am forever spent	The pain of love is gods desire forever to explore
the moves you made removed your voice the film is seen its hate	you are someone i am somebody it's the joke I say again you are the witch i am desire and i decide to switch
