Universal Book of Songs
If you want to make an apple pie from scratch, you must first create the universe.

The terminal just opens up
The colors start to pop
The drive that's warped
The login stops
and you now have the drop

The multiplexer lives again
with midnight blues of sound
the mapping changed
to what it is
yabai is nowhere found

The keys are modded
not removed
the clicks are heard again
the cherry switches do not grove
but vim is just so vim

You want to be so bad you see
but difference you and I
is that I rock
and roll I be
and your flow conquers slime

The choices made have reappeared
The reaper is your DAW
I rock my sound and my mind clears
when you forget to draw

The pen has dropped
the paper torn
papyrus is too tough

The ink is colored
and its gold
reflection of the knot

The numbers read
eleven two
is not the same as three
the integration, you and you
is the derivative of me

The curve is set
The line removed
the paper is now blue
the group of people
loving you
can never be just you

I am that which
you saw before
Danu is not Dane
That which you speak
is not just you
but love can find the way

The rainbow is
that which you saw
the illusion of the mind
is not the mind, but it is true
refraction is divine

propellant rocks
the yaw and pitch
the rocket enters sound
beyond the sound
there lies a witch
and all lives go unbound

the moon is there
and so is mars
but Saturn has returned

the travel long, but so am I
when you forget the code

the belt of love is there you see
the outer ring of no

inside the no, the knowledge brings
the payment for the toll

give which you want
to be returned
and live life as you do

the truth, the hymn
that Brahma knows
the justice, you and you
